

TPM Process Map - “Mentor”

TPM Process Map - “Mentee”

TPM Process Map - “Objectives”

Summarized Instructions:

The “TPM Map” is a training tool that illustrates the “TPM Process.” This version portrays each of the seven “Boxes,” the Mentee’s objectives in each box, and the typical path a Mentee takes when transitioning from one box to another. The “TPM Map” and the “TPM Flowcharts” are designed to help you more efficiently learn, practice, and apply the Process of TPM.

Detailed instructions on how to use the “TPM Map” can be found in the TPM training material.
